

- ✓ *Eliminates all water*
- ✓ *Removes contaminants*
- ✓ *Preserves additive package*
- ✓ *Extends drain intervals*

## KLEENOIL FILTER CARTRIDGE

The Kleenoil Filter Cartridge has been redeveloped to use less cellulose material and specifically designed layers were added for better particle removal down to sub-micron size.

Water retention capability has been improved and the new cartridge cleans faster. Each cartridge holds up to 1.5kgs of contaminants.

### APPLICATIONS

- Hydraulic Oil
- Gear Oil
- Transmission Oil
- Diesel Fuel
- Other Fuels
- Engine Oil
- Transformer Oil
- Other Oils
- Gasoline

### CARTRIDGE SIZES

**CODE SDFC1888KF85 (Super Duty Cartridge)**  
 Suitable for: Super Duty Filter Unit (SDU9788KU85)  
 Height: 100mm  
 Diameter: 200mm  
 Single item weight: 850g

**CODE HDFC1878KF50 (Heavy Duty Cartridge)**  
 Suitable for: Heavy Duty Filter Unit (HDU9778KU50)  
 Height: 100mm  
 Diameter: 145mm  
 Single item weight: 450g

**CODE LDFC1868KF16 (Light Duty Cartridge)**  
 Suitable for: Light Duty Filter Unit (LDU9768KU16)  
 Height: 106mm  
 Diameter: 120mm  
 Single item weight: 200g

Doc Code: HCS-IMS-MD-10/Rev.2/Mar2016
